THE SKY'S THE LIMIT

In the Phoenix Air National Guard

We'll pay you to learn a trade. There are over 300 trades from which to choose. And we'll send you to one of the finest schools. After that, you're limited only by your own ambition.

When you've finished your paid training—about 4 months—you'll spend just 39 days a year keeping your skill up to date. Our average Guard members earn over $1000.00 per year. Not bad for part time work.

You'll make new friends. And establish contacts with people who have the same interests as you. Expect some fine fringe benefits, too.

For further information, stop by or call the Sky Harbor Air Guard Base at 244-9844.

We are an equal opportunity employer M/F

Think about it.
You belong in the Guard.
